

Tarot Pricing 2011

Three Card Layouts- \$10

This general three card reading covers general concerns. It indicates the general past, present and possible future outcome of a general subject.

Seven Card Layouts- \$17

This particular layout is meant to examine a more specific issue that you are facing. It indicates influences and obstacles that you are dealing with in regards to the issue that you are facing right now, and what the possible outcome will be.

Past Life Layout- \$45

This reading is quite self explanatory. It indicates how your past life is affecting you today. You will also find out who you were and what you went through in your past life. The difference between the past life tarot reading and the astrology reading is, the past life astrology reading is much more detailed and how karmic issues affect you today on a soul level. However, this spread will tell you a lot about your past life and how you are affected by it currently since I will also "see" it through my clairvoyance and intuition.

Tree of Life- \$50

This unique spread examines your major factors that are around your current situation. It examines your emotional, home and family, spiritual, career, relationships, responsibilities and present difficulties. It considers blockages sounding these areas of life and provides opportunities to help resolve them.

The Child Layout- \$35

This spread indicates what your child came into his/her incarnation to learn, to shine, what is needed to be known about the child, possible issues that could arise in your child's life, and possible future achievements.

The Soul mate Spread- \$40

This particular spread indicates whether a new relationship that you will have will be with a soul mate. Keep in mind, there are misconceptions about soul mates. Those who you feel are a part of "you" are not soul mates. They are twin flames. Soul mates can come to you in your current incarnation as lovers, friends, students or teachers- or a combination of all.

Financial Problems Spread- \$20

This particular spread indicates what is really behind the financial burden, and how it can be resolved. It may come off as "having too many bills to pay". However, through this spread you may come to find out if you extended your mortgage or find financial help through a source that you had never thought of, that would be enough to help solve your financial issues for the time being.

The Career Layout- \$35

This spread will indicate if the career you had chosen is the "right" one for you. You will find out why you had chosen the career you are in, and if there are obstacles in the way, you will find out what they are and how they can be resolved in order to continue with your career path.

Business Expansion Spread- \$35

If you have been thinking of expanding your business and you are wondering if this is the time to do so; what obstacles can get into the way; what would work in your favor, then this is the reading to have. This reading will give you a clear indication if this is not only the right time to expand but how you can bypass obstacles that could get into the way of fulfilling your wish to expand.

Karmic Relationship Spread- \$45

Are you with someone who you know is from a past life? Do you want to know the karmic meaning behind your relationship? Do you want to know what kind of relationship you and your partner had in a prior life? Do you want to know how to resolve karmic issues and what likely future outcome could come out of your relationship? If you are with a lover, who you had "known" before, and what karmic residue you and your partner are facing, and how you can resolve any past life karma, this is the reading to get.

The Pet Layout- \$40

When your pet looks deep into your eyes, he/she is communicating with you. If your pet has been acting strange lately or if you feel your pet has been trying to really tell you something, through this spread you will be able to find out. What is your pet trying to say to you? Your pet is also intuitive and it may be sensing something that is around you that are not aware of. You can also find out if there could be a health issue on the rise. You will find out more about what is going on in your pet's mind through this reading. What does your pet want you to know?
